*Celebrating 135 Years*

Dear Friend,

The First Presbyterian Church of San Pedro will continue to lead its annual community effort to assemble and distribute Thanksgiving food baskets to needy families across the greater San Pedro and Harbor areas. Now in its 23<sup>rd</sup> year, each basket will provide a \$25 turkey gift card from Smart & Final, and all the traditional holiday staples neatly packed allowing families to prepare and serve their own special holiday meal at home in a dignified manner.

We identify needy families with the help of local elementary school administrators and teachers, and with the help of several local agencies serving our local public in need. Our 2018 goal is to serve up to 5000 local people in great need during this holiday time. The total cost estimate for the program this year is \$20,000.

This year, the baskets will be picked up at the church on Sunday November 18th from (12pm to 4PM). Also, on pick up day there will be an available hot Thanksgiving turkey lunch served for all recipient families to enjoy as a bonus.

We are deeply grateful to individuals like you who make this effort entirely possible through your donations and service. Every year, we receive great acknowledgement and thankfulness from the schools, agencies, and families for the baskets they have received.

We invite you to complete and return the included form if interested in helping us this year, or you can make your donation online via our website: **[www.firstpressanpedro.org](http://www.firstpressanpedro.org)**

Thank you for your generosity, and blessings to you and your family during this holiday season!

Paul Puskar

2018 Committee Chairman

-----  
I wish to donate to the First Presbyterian Church of San Pedro 23rd Annual Thanksgiving Food Program for needy families in greater San Pedro and Harbor areas.
